

Terms: In consideration of the covenants herein provided, FLM agrees to rent to Lessee the described watercraft for the period herein indicated. Lessee accepts full and complete delivery of the watercraft and shall be responsible for the operation and charges incidental to the use of the watercraft during the rental period including all items and equipment outlined on the WATERCRAFT CHECK OUT/IN sheet, which is made a part hereof. Lessee further represents that all information provided to FLM are true and correct. Lessee agrees to pay all rental fees and other charges provided for in this agreement.

Security Deposits: Lessee will deposit with FLM a security deposit in the amount determined by FLM. Lessee agrees that this deposit shall be for the use of FLM. This security deposit may be applied to satisfy any obligations of Lessee but neither the making of this security deposit or the use thereof by FLM shall excuse the Lessee from the performance of any such obligation. It is further agreed that said security deposit will be increased for the repair of any damages or loss of equipment not covered by a watercraft damage waiver, and such charges for consumable items as may have been used and not paid during the term of use period. In case of damage where the cost of which is not immediately ascertainable the security deposit shall be retained and any portion of this deposit FLM shall return to the Lessee within 60 days of the termination of this agreement. Lessee will be responsible in excess of the security deposit for damages or loss not covered by the watercraft damage waiver.

Condition of Watercraft upon Rental: FLM hereby rents this watercraft in good operable condition, and in proper working order with full equipment, inclusive of that required by law, and in clean and good condition throughout, ready for use by the Lessee. Lessee certifies that Lessee will examine the watercraft condition before departure and agrees to its condition and that the watercraft is safe, operable, and properly outfitted. Should the Lessee not be present or not ready to accept delivery of the boat, for whatever reason, at the specified time, FLM reserves the right to rent the watercraft to someone else. Upon delivery of the watercraft, the Lessee, and during the entire rental period, Lessee shall be responsible for the operation, control and possession of the watercraft, as well as all expenses associated therein, except as may be noted otherwise in the agreements. The Lessee hereby agrees to pay all charges incidental to the use of the watercraft during the use period. The Lessee shall keep the watercraft in good running condition and in the same condition as when received from FLM. The Lessee agrees to surrender the watercraft at the expiration of the Lessee's period of use or earlier in as good as condition and in as clean a condition as when delivery was taken. A late charge equal to \$25 every half hour or portion thereof will be assessed for any watercraft returning after the said and agreed upon time specified on the watercraft check in/out sheet, which is part of this agreement.

ASSIGNMENT: Lessee shall not assign or sublet the watercraft without the prior written consent of FLM.

Accident, Breakdowns, Upset and Indemnity: In case of an accident, the Lessee shall notify FLM immediately. Lessee understands and agrees that in the event of a collision, accident or other casualty the Lessee shall, so far as Lessee can, without serious danger to the watercraft and its passengers, render to other persons affected by collision, accident or other casualty as may be practicable and as may be necessary in order to save them or minimize any danger of injury. Lessee further agrees to cooperate fully, as may be necessary or required with all investigations conducted by FLM or any governmental agency or department. No repairs may be performed to the watercraft without the permission of FLM. FLM agrees that should the watercraft after delivery, sustain mechanical failure during normal operation, breakdowns of machinery or be disabled or damaged by fire or other cause so as to prevent the use of the watercraft by the Lessee for a period of more than 10% of the agreed use period, the same not being brought about by any act or default of the Lessee, FLM shall make a pro-rata return of rental fees to the Lessee. The entire amount of the security deposit shall be forfeited if the watercraft is upset or overturned and such payment shall be in addition to any other charges or damages or lost equipment. Lessee indemnifies and holds FLM harmless from any loss, damages, expense or claim, including any attorneys' fees and costs arising out of Lessee's acts or omission to act.
